

**Pandy's Meadowlands \$0.50 cent Early Pick 4 (15% takeout and \$50,000 Guaranteed Pool),
Friday, July 10**

I hit the Pick 4 on Friday, March 6 night, nice payoff, \$555.45 for the \$24.00 wager on 50 cent tickets. Meet record: 20 pick fours, 2 won, 18 lost, plus \$283.65.

Tonight's tickets:

\$0.50 cent play: 458/89/39/19 = \$12.00

Analysis:

Race 6: You probably want to use four here if you want to get the best coverage but I've narrowed it down to my top three choices, 4, 5, 8.

Race 7: Muscle Dolly and Altar both seem to be good prospects.

Race 8: Starlight As has a chance at a price off the drop, 2nd off a layoff. My top pick is Sweet Chapter, who is also my Best Bet. She had problems with the start at Mohawk but she qualified back sharply here and she may have a class edge.

Race 9: Ineffable and Dream Chapter are both from top trotting barns and both prepped sharply.
