

**Pandy's Meadowlands \$0.50 cent Pick 4 (15% takeout and \$50,000 Guaranteed Pool),
Saturday, March 13**

I hit the \$205.50 Pick 4 Friday night, the second week in a row that I hit the Friday Pick 4 (paid \$276 two weeks ago). I've not hit the Pick 4 six times in the first two months of the year, which is a high percentage considering that I hit it eight times all of last year, albeit in a shortened racing year because of the virus. I hit the Pick 4 eight times last year, a solid year with a nice profit, with the best hit on Friday, March 6, nice payoff, \$555.45 for the \$24.00 wager on 50 cent tickets. Meet record for year ending 2020: 54 pick fours, 8 won, 46 lost, plus \$885.30.

Current (2021) meet record: 19 pick fours, 6 won, 13 lost, plus \$221.10.

Tonight's tickets:

\$0.50 cent play: 2468/237/159/3457 = \$72.00.

Analysis:

Race 6: This looks wide open tonight. I'm using all four of my listed contenders here, 2, 4, 6, 8. I normally stick with low cost tickets but I'm trying a bigger ticket tonight.

Race 7: You could try the 2, 3 here but I'm not that confident and I think that Good Rockin has a shot at a price, so, 2, 3, 7.

Race 8: I would imagine that most tickets will use two, 1 and 9, or just the 9, but I think that Bechers Brook A is a live longshot with the right trip. 1, 5, 9.

Race 9: This race is wide open so I'm using all four of my listed contenders, 3, 4, 5, 7.
