Rule Proposal 18 addresses Rule Proposal 17 from 2020, which was reviewed and discussed by all Districts and Committees. It is not deemed a new proposal by the Chair but an original rule proposed in 2020 and now before us as amended, which could have just as easily and properly been addressed in 2020 had it not been tabled. It does not violate the Dr. Walker policy of not having a rule considered that has not been vetted or ever seen by the membership.

As there were no other matters to come before the committee, the meeting was adjourned at 3:13 p.m.
