

**Pandy's Meadowlands \$0.50 cent Pick 4 (15% takeout and \$50,000 Guaranteed Pool),
Friday, September 24**

I hit the \$10.40 Pick 4 last Friday and had three out of four on Saturday. That was a tough one because my Best Bet won one of the legs and paid \$5.40 and I also had a \$17.40 top winner but I missed the 20-1 winner in the 12th. I've hit the Pick 4 fifteen times this year, seven more than my entire total for last year (albeit in a shortened season). I hit the Pick 4 eight times last year, a solid year with a nice profit. Meet record for year ending 2020: 54 pick fours, 8 won, 46 lost, plus \$885.30.

Current (2021) meet record: 69 pick fours, 16 won, 53 lost, plus \$19.00

Tonight's tickets:

\$0.50 cent play: 4/1479/235/1,10 = \$12.00

\$0.50 cent play: 4/4/235/1,10 = \$3.00

Analysis:

Race 9: Treacherous Dragon got beat by a nice prospect in last and is my single here.

Race 10: This appears to be a wide open race, although the 4 is sharp. I'm using all four of my listed contenders, 1, 4, 7, 9 on one ticket, and trying a single (4) on the other.

Race 11: This is wide open. I'm going to try three, 2, 3, 5.

Race 12: Hunts Point is talented and draws inside of main rival Hammering Hank.
