

## **Pandy's Meadowlands Selections for Friday, April 22**

**Note: My odds-line for my top four contenders is based on what I think each horse's chances are to win the race. For instance, if I make a horse 4-1, I think the horse's chances of winning are about 20%, so if the same exact race was run ten times, he'd win it twice. If I make all of the horses about the same odds, that's an indication that I think the race is wide open, or that I can't pinpoint a horse that appears to have a strong edge.**

6 YANABA 7-5  
7 HALLANCE 4-1  
3 MRS TAYLOR 4-1

PRIMO VOMO seems well prepped for debut for a good trainer and he won't have to be a star to beat these at first asking...YANABA was hard to gauge last year because she kept breaking stride but she's come back much improved for trainer Dan Daley and she not only stayed flat in her 3yo debut, but she marched first over and drew clearly with a sharp final quarter...HALLANCE is in good form...MRS TAYLOR returns at a reduced level for Burke.
