

Pandy's Meadowlands Selections for Friday, May 6

Note: My odds-line for my top four contenders is based on what I think each horse's chances are to win the race. For instance, if I make a horse 4-1, I think the horse's chances of winning are about 20%, so if the same exact race was run ten times, he'd win it twice. If I make all of the horses about the same odds, that's an indication that I think the race is wide open, or that I can't pinpoint a horse that appears to have a strong edge.

JIGGY JOG S qualified sharply for a barn that can bring them back ready to roll...FASHION SCHOONER is much improved for trainer Jim Campbell...VENERABLE won her first 8 starts then broke in the Breeders Crown elimination, won the Matron at Dover, then came up short as the 4/5 favorite finishing second in the Goldsmith Maid here in November. She could be tough to beat if she's ready off one qualifier...YANABA is another filly that's much improved over her 2yo form.
