

Pandy's Meadowlands Selections for Friday, December 13

Note: My odds-line for my top four contenders is based on what I think each horse's chances are to win the race. For instance, if I make a horse 4-1, I think the horse's chances of winning are about 20%, so if the same exact race was run ten times, he'd win it twice. If I make all of the horses about the same odds, that's an indication that I think the race is wide open, or that I can't pinpoint a horse that appears to have a clear edge.

7 ALTUS HANOVER 2-1
6 LOUIS 6-1

AQUARIOUS FACE S only raced 7 times last year and 9 times so far this year, and only hit the board twice. He does have some backclass, however. In his U.S. debut two back, he drew post 10 off a layoff,

then broke in last at Yonkers; drops sharply...ROBERT MICHAEL improved off the barn change two back then broke on the lead in last...CONGRESS HILL EVA has raced well at this level...CHINESE WHISPER N had no shot in last.

BEST BET: THE PRINCE 14th Race
