

Pandy's Meadowlands Selections for Saturday, November 29

Note: My odds-line for my top four contenders is based on what I think each horse's chances are to win the race. For instance, if I make a horse 4-1, I think the horse's chances of winning are about 20%, so if the same exact race was run ten times, he'd win it twice. If I make all of the horses about the same odds, that's an indication that I think the race is wide open, or that I can't pinpoint a horse that appears to have a clear edge.

ROCK THE CAPTAIN N has turned in two improved efforts since moving into the Keim barn and gets a key driver change here...LIKE A SHADOW left and was three and four wide around the first turn while hard used to get the lead, yielded, was shuffled back to 6th, angled out behind horses in the stretch and was trying hard right to the wire; chance at a price...MASTER OF THE HOUSE has only hit the board once in 14 starts over this track but that was in his last start here, which was at this level, and he cut the mile in that race; gets Bartlett tonight...SONO CONFUSO was used hard to get the lead from post 9 and held on for a game win; steps up.
