

Pandy's Meadowlands Selections for Friday, October 23

Note: My odds-line for my top four contenders is based on what I think each horse's chances are to win the race. For instance, if I make a horse 4-1, I think the horse's chances of winning are about 20%, so if the same exact race was run ten times, he'd win it twice. If I make all of the horses about the same odds, that's an indication that I think the race is wide open, or that I can't pinpoint a horse that appears to have a clear edge.

5 GREENMA 2-1
7 FARAH TRIO IT 4-1

ARDONNE broke in his first start for Bongiorno. He's been a disappointing 3yo; he showed ability last year but he's supposed to be tough to beat at this level...GREENMAN is very similar to Ardonne, a talented 2yo who has only hit the board once this year. He closed okay in his qualifier but he's already lost as the favorite at this level.
